**DEFENDANT DHIANDRA OLSON OPPOSITION TO PLAINTIFFS' MOTION FOR  
EXTENSION OF TIME AND DEFENDANT'S OLSON MOTION TO DISMISS**

Defendant, Dhiandra Olson, by her counsel, pursuant to her special appearance, respectfully submits this Opposition to Plaintiffs' letter motion for extension of time to serve process, and Defendant hereby moves for an order dismissing the Complaint against her.

As detailed in Defendant Olson January 15, 2021 opposition to the Plaintiff s' motion for alternative service, she has not evaded service, but rather the Plaintiffs have not been diligent in their efforts to serve Defendant Olson . She has not changed her residence, nor her normal activities. Rather, the process server simply has not made the effort to do his job properly.

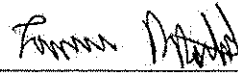

Defendant Olson, a person of limited income and means, should not have this litigation hanging over her head any longer. Thus, Plaintiffs' motion should be denied, and the Complaint against Defendant Olson should be dismissed for lack of timely service.

CONCLUSION

Plaintiff's motion should be denied with respect to Defendant Olson, and Defendant Olson's motion to dismiss should be granted, and Defendant Olson should be dismissed from this case for lack of timely service.

Respectfully submitted,

DHIANDRA OLSON,

By
